

# Yes, They're Here

We've been a - round now for years, yes for ma - ny a year;  
We'll all go on now, and dance, and make mu - sic and sing;

but we're up - right and brea - thing and we're here. O yes, we've  
step it out now and let our voi - ces ring; O yes, we'll

been a - round now for years, yes, for ma - ny a year,  
all go on now, make mu - sic and we'll dance and sing;

but we're up - right and brea-thing and here, yes we are here.  
hearts and voi - ces and feet all in time, we'll dance and sing.

We can't dance, we can - not run, some-times it hurts just to stand; we  
 Step it out, now sing it out, mu - sic plays we're mo - ving on; we'll

creak and we squeak but we're will - ing to help as we can, as we can, we can; We've  
 dance and we'll sing and let all of our ca - res be go - ne, let cares be gone. We'll

been a - round now for years, yes for ma - ny a year;  
 all go on now, and dance, and make mu - sic and sing;

but we're up - right and brea-thing and here. O yes, we're here.  
 yes, we'll dance and make mu - sic and sing, yes we will sing.
