Lift Ticket
One of the hottest new voices on the contemporary dance music scene, Lift Ticket has established itself as a dance camp favorite from coast to coast. Lift Ticket fuses an extraordinary repertoire of fiddle tunes, rendered with flair and flame, with grooves ranging from smokin’ to sublime. It all comes together in an unforgettable dance experience. Lift Ticket is one of the latest “hot contra bands” playing weekends and dance weeks the past few years. The group is composed of Rex Blazer on fiddle, Seth Houston on piano and guitar, and C.W. Abbott on mandolin. You can learn more about Lift Ticket and listen to their music at www.liftticketband.com.

Carol Ormand is in demand throughout the contra world (literally—she’s on a return engagement to Denmark this year). She calls monthly at dance festivals from Alaska to California to New Hampshire and points in between. Her laidback charm combined with her “smooth as butter” voice will make for a fabulous weekend of dancing!

Workshops
Dance Workshops – Carol will lead dance workshops on Saturday afternoon. We will announce workshop specifics at the festival.

Music Workshops – The Lift Ticket members will provide music workshops on Saturday afternoon. We will announce workshop specifics at the festival.

Callers Roundtable – Steve Pike will organize another calling roundtable Sunday morning during brunch so no one has to miss any music or dancing. Look for more information at the festival.

Volunteering
Your willingness to volunteer helps us keep the cost of the weekend low. We ask that you sign up for a task upon arrival. It is a great way to help the festival be successful. Thank you for your cooperation.
